

For cleaning and facilities contractors that bid on federal work

Regional office cleaning request — place of performance missing.

Harbor Cleaning · Regional office cleaning request · SAM.gov notice

A field the notice left blank

The work is janitorial and the NAICS matches, but the notice doesn't say where the work is, so the state can't be checked. It stays on the list as "check the location" rather than being counted as a match.

Matched	janitorial service, NAICS 561720
Missing	place of performance
Still open	whether the work is in Virginia or Maryland

Source extract

Regional office cleaning request, notice fields

Recurring janitorial services for regional offices. Place of performance: left blank in the notice.

Your next step

Check the notice on SAM.gov for the place of performance before counting this as a match.

What this does not tell you

Nothing is guessed about the location, and eligibility hasn't been checked.

About BidRubric

Screens each business day's federal notices against your profile and says which match, why the others don't, and what still needs checking. **\$149 per month**. See pricing at bidrubric.com/access/.
